Dated: 25-05-2022

Sub: Constitution of College Campus Beautification Committee.

A well-maintained college campus provides a safe and attractive learning environment for students. Campus Beautification Committee, however, can offer much more than physical improvements to the college buildings and grounds. Through cleaning and painting the outside and inside of the college and by planting new flowers and shrubs, the students can take advantage of educational, personal development and community building opportunities. The Dean College of Basic Sciences & Humanities is pleased to constitute the College Campus Beautification Committee for keeping the college campus neat and clean.
