

# Notice

Tokyo University of Agriculture, Tokyo, Japan is inviting 1 UG student from CCSHAU, Hisar for 23<sup>rd</sup> International Students Summit on Food, Agriculture & Environment to be organized by, Tokyo University of Agriculture, Tokyo, Japan from July 31<sup>st</sup> to August 3, 2024.

The general theme of this year's is "Food, Agriculture and Environment". Participants will be selected through a screening process of all applicants nominated by different universities. Each selected partner university will be given one slot; however, none may be selected if applicant fails to pass the screening process of Tokyo University. International flight tickets between the closest international airport to our university and Tokyo will be provided by Tokyo NODAI. However, this year they are not offering airfare to all the partners, but only to a limited number of universities in appreciation of the strong and long-lasting partnership with them.

The **Undergraduate students (Pre final year)** are requested to contact their respective Deans of the Colleges immediately to send their interest by submitting their CV, abstract and other related documents immediately.

**Last date for sending the application by students to Dean concerned is 20.02.2024.**

Deans will further recommend two **Undergraduate students (Pre final year)** from each college latest by **28.02.2023** for finalization of one candidate. No application will be entertained after last date.
