## *Inaugural Function*

12:00-12:05 PM	Lamp Lightening
12:06-12:10 PM	Vande Matram
12:11-12:15 PM	Guest Floral Welcome
12:16-12:20 PM	Welcome Address by Dr. Rajesh Gera, Dean COBS&H
12:21-1:00 PM	Address by Keynote Speaker Sh. Satish Kumar National Co-Convenor, Swadeshi Jagran Manch
1:01-1:10 PM	Address by Guest of Honour Dr. Om Prakash Arora, Emeritus Fellow (UGC), Deptt. of Chemistry, Kurukshetra University
1:11-1:25 PM	Address by Chief Guest Prof. B. R. Kamboj, Hon'ble Vice-Chancellor, CCSHAU, Hisar
1:26-1:40 PM	Guest Felicitation
1:41-2:10 PM	Skit on Dr. A.P.J. Abdul Kalam by Students
2:11-2:15 PM	Vote of thanks by Dr. Rajni Kant Sharma, Secretary, The Science Forum, CCSHAU, Hisar
2:16-2:18 PM	National Anthem
2:19 PM	Lunch

## THE CONCLAVE

The Science Conclave at Chaudhary Charan Singh Haryana Agricultural University (CCS HAU), Hisar, serves as a leading interdisciplinary forum that unites scientists, educators, researchers, policymakers, and students to discuss current scientific issues and innovations. The goal is to foster productive dialogue, support collaborative research and translational science to advance societal and agricultural progress.

The conclave will showcase recent advances across various fields, such as agricultural sciences, life sciences, environmental studies, biotechnology, engineering and related disciplines. Focus areas will include sustainable development, climate-resilient agriculture, food and nutritional security, digital and precision farming, and innovation-driven rural transformation.

The conclave will include plenary lectures, thematic technical sessions, panel discussions, posters, scientific models and interactive sessions tailored for young researchers and students. It will provide a dynamic platform for knowledge exchange, foster scientific curiosity, inspire early-career researchers and strengthen connections among academia, industry, and policy sectors.

Through this initiative, CCS HAU, Hisar reaffirms its commitment to promoting science and technology in line with national goals specifically for Viksit Bharat-2047 and current global issues, while also fostering networking, capacity development, and the generation of impactful research ideas.

## ABOUT THE UNIVERSITY

Chaudhary Charan Singh Haryana Agricultural University (An A+ Accredited University by National Agricultural Education Accreditation Board, ICAR, New Delhi) located at Hisar in the Indian state of Haryana, named after India's seventh Prime Minister Chaudhary Charan Singh, is one of the biggest agricultural universities in Asia that has made a special niche at the global level. The University alongwith contributes significantly towards achieving nutritional security, sustainability, and wellness and is open to new partnerships in research, teaching, and extension.

Presently, the University has six constituent colleges: College of Agriculture [(Hisar (1962); Kaul (1974) and Bawal (2016)], College of Basic Sciences & Humanities (1970), Indira Chakravorty College of Home Sciences (1973) renamed as Indira Chakravorty College of Community Sciences (2023), College of Agricultural Engineering & Technology (1992) and College of Fisheries Science (2019), College of Biotechnology (2022) while Institute of Business Management and Agripreneurship (IBMA), Gurugram is under construction. However, classes of IBMA have been started at CCSHAU main campus, Hisar. The University also houses a training institute for skill development.

The University is a leader in agricultural research and in developing new technologies like conservation agriculture, direct seeded rice, and herbicide resistance management for overall improvement in the crop productivity of the state. With the evolution of 305 varieties of various crops, including cereals, pulses, oilseeds, cotton and sugarcane crops, vegetables, and fruit crops, CCSHAU has been constantly upgrading itself by embracing new technologies and entering partnerships with premier national and international institutions. 27 Patents, 17 Copyrights, 17 Designs, 1 Trademark and 655 MoUs/agreements have been signed to collaborate with national industries/institutes and international institutes in the USA, UK, Australia, Czech Republic, Poland, New Zealand, Philippines, Kazakhstan, and Tanzania to pave the way for scientific and academic excellence.

## ABOUT HISAR

Hisar is situated 180 km west of the National Capital, Delhi, at NH 09 in the state of Haryana, and it is well connected by rail/road with all the nearby major cities. The nearest airport is Indira Gandhi International Airport, New Delhi. Several educational institutions, including reputed universities like CCS Haryana Agricultural University, Guru Jambheshwar University of Science & Technology, and Lala Lajpat Rai University of Veterinary & Animal Sciences are established in Hisar apart from ICAR institutes like CIRB, NRCE and Northern Region Farm Machinery Training & Testing Institute. Around Hisar city, the ancient site of Rakhigarhi, one of the five known biggest townships of Harappan civilization on the Indian subcontinent, and the ancient site of Agroha, traditionally believed to be the Capital of the legendary king Maharaja Agrasena can be visited. The favourable Government policies have played a vital role in the city's economic development. The government's industrial policy has attracted many entrepreneurs, and presently, it is also known as the Steel City of Haryana.

## ORGANISING THEMES

### Poster

- From Food Security to Nutrition Security: Indian Agriculture in Viksit Bharat 2047
- Basic Sciences as the Backbone of Innovation for Viksit Bharat 2047
- Lifestyle, Food Systems and Public Health in a Developed India
- Biotechnology, Start-ups and Bioeconomy: Driving India's Growth by 2047
- AI and Biotechnological innovations for climate resilience and sustainable agricultural practices
- Supply chain & market intelligence for agricultural commodity security & post-harvest loss reduction
- Transforming Agricultural Waste into Wealth: Supporting India's Journey towards Viksit Bharat 2047
- Blue Revolution as a Driver of Sustainable Development in Fisheries and Allied Sectors
- Greening India's Future: Energy and Environment Roadmap for Viksit Bharat 2047

### Slogan

- Role of Youth, Ethics and Scientific Temper in Viksit Bharat
- Women-Led Development, Family Well-being and Viksit Bharat
- Precision Today, Prosperity Tomorrow - Blue Revolution for Viksit Bharat 2047

### Model

- Climate-Smart Agriculture and the Roadmap to Viksit Bharat
- AI, Robotics and IoT in Indian Agriculture: Engineering the Future
- Blue Economy and Aquaculture: New Frontiers for Viksit Bharat 2047
- Diversification in Agriculture: Opportunities Beyond Traditional Farming

### Declamation

- Agri-Science Innovation: The Key to a Sustainable Future
- Innovations in Agriculture for Viksit Bharat 2047
- Climate-Smart Agriculture: Securing Future Food Systems
- Science-Driven Farming for Environmental Sustainability

### Rangoli

- Agri-Science Innovation for Sustainable Future

## PROGRAMME DURING THE CONCLAVE

The conclave will include lead lectures by eminent academicians on the importance of science and agriculture to meet the vision of Viksit Bharat 2047.

### REGISTRATION UPTO

20 February, 2026

# ORGANISING COMMITTEE

## Chief Patron

**Prof. Baldev Raj Kamboj**

Vice-Chancellor, CCSHAU, Hisar

## Patrons

Dr. Ramesh Kumar, Dean, Post Graduate Studies, DEE and Director HRM and DSW

Dr. Ramesh Kumar Goyal, Dean, College of Agriculture

Dr. Rajesh Gera, Dean, College of Basic Sciences & Humanities and Dean, COFS

Dr. Atul Dhingra, Dean, I. C. College of Community Science

Dr. Kamal Dutt Sharma, Dean, College of Biotechnology

Dr. Rajbir Garg, Director of Research and Dean COAE&T

Dr. Pawan Kumar, Registrar

Dr. Rajive Kumar Pateria, Librarian

Sh. Naveen Jain, Comptroller

Sh. Kapil Arora, Secretary to Vice-Chancellor

## Convenor

Dr Rajni Kant Sharma

HOD, Chemistry, COBS&H

## Organising Committee Member

Dr. Manoj Kumar, Associate Professor, Mathematics & Statistics

Dr. Subhash Chander, Assistant Professor, Sociology

Dr. Manmohan Singh, Assistant Professor, Plant Pathology

Dr. Devender Singh, Assistant Professor, LHC

Dr. Vinay Kumar, Assistant Professor, Physics

Dr. Savita Rani, Assistant Scientist, Horticulture

Dr. Kanika Rani, Assistant Professor, BNT

Dr. Pawan Kumar, Assistant Professor, Bioinformatics

## Venue

**Auditorium, College of Basic Sciences & Humanities  
CCS Haryana Agricultural University, Hisar, Haryana**
