Vice Chancellor's Message

Prof. B.R. Kamboj
Vice Chancellor

Chaudhary Charan Singh Haryana Agricultural University, widely known as HAU, is one of the paramount agricultural universities in Asia. Since its inception in 1970, CCSHAU has earned a name for itself as a symbol of quality at both the national and international levels. University played a key role in India's Green and White Revolutions in the 1960s and 1970s, and it continues to have an impact in the sphere of agriculture. Our excellent infrastructure provides the most conducive atmosphere for dynamic and focused learning. On behalf of the University family, I assure you that we will assist you in achieving your life goals. I wish you all-round success in your academic pursuits at CCSHAU, Hisar.

About the University

CCSHAU, located at Hisar is one of the finest and leading Agricultural Universities, not only of India but that of Asia also. It came into existence on February 2, 1970 through an Act of Parliament to fulfill the mandates of teaching, research and extension. There are eight constituent colleges/institute of the university, namely, College of Agriculture (Hisar, Kaul and Bawal), College of Agricultural Engineering & Technology (Hisar), College of Basic Sciences & Humanities (Hisar), I.C. College of Home Science (Hisar), College of Fisheries Science (Hisar) and Institute of Business Management & Agripreneurship (Gurugram). Apart from the under-graduate courses in Agriculture, Agricultural Engineering and Home/Community Science, the University offers postgraduate programs comprising Masters in 43 disciplines, including MBA, Agri-business and Rural Management and Doctor of Philosophy in 39 disciplines, including Ph.D. in Management and Agribusiness. For more information on the university, please visit our website www.hau.ac.in.

About the College

The College of Agriculture, Bawal was established in 2015 as a constituent college of Chaudhary Charan Singh Haryana Agricultural University, Hisar. It aims to provide agricultural education to rural students in the resource-poor districts of Haryana. With a focus on academic, research and extension need, the college has undergraduate, post graduate, and PhD programmes. the college lies in Bawal (a municipality in Rewari district) which is in the National Capital Region of India. It is situated on national highway NH 48, approximately 14 km from Rewari city, 100 km from Delhi, and 185 km from the university campus in Hisar. The college contain across 248 acres, encompassing academic buildings, hostels, research facilities, playgrounds, roads, and students' farm. The college boasts excellent infrastructure facilities, including video-conferencing, multimedia classrooms, well-equipped laboratories, seminar room, computer & language lab. The NSS unit and various co-curricular activities for the holistic development of students Are also well placed in the college. The college has dedicated and competent faculty members who impart quality education in different disciplines of agriculture and allied fields.
