DEPARTMENT OF PLANT PATHOLOGY
CCSHAU, HISAR

Sub: Permission for inviting expression of interest (E.O.I.) for the Public Private Partnership (PPP) mode of the firms/ mushroom growers/ FPOs/ MPOs etc. with the Mushroom Technology Lab. Department of Plant Pathology, CCSHAU, Hisar

The request received from progressive mushroom growers regarding Public Private Partnership (PPP) mode in Mushroom Tech. Lab was taken up during Technical Programme Meeting 2025-26; for production of spawn, spawned compost, casing, medicinal mushroom etc. at Mushroom Tech. Lab., Deptt. of Plant Pathology, CCSHAU, Hisar under PPP mode.

The Mushroom Technology Lab. Department of Plant Pathology was under PPP mode with firm M/s Bajwa Mushroom Farm to meet the demand of mushroom growers for quality spawn, mushroom compost, spawned compost bags, casing materials etc. and for the mushroom promotional activities in the state and its adjoining areas. As per terms and conditions the PPP mode expired in the month of August, 2023 and the firm was further not interested for continuation of the same. As per request of the firm the NOC was provided to the firm by the University on dated 24.11.2023 and site is vacant for MOU regarding PPP mode. Keeping in view of the above facts expression of interest were again invited by the department during 2024-25 and among the three expression of interest (E.O.I.) received, the firm M/s Vedanta mushroom farm, BOPL was finalized by the committee and same was approved by the competent authority. Later on in the month of July, 2025 the firm refused to have PPP mode with the University (copy of e-mail of the firm enclosed). Therefore as per discussion in DAC further request was submitted by the Department during 2025-26 to the competent authority for again inviting expression of interest (E.O.I.) for the same. Again the three firms/ growers were submitted expression of interest (E.O.I.) which were screened by committee and highest scoring was approved by the competent authority in favor of Mattershyam FPO Ltd, C/o Sh. Anil Kumar Saini. Later on, in the month of June, 2026 the firm refused to have PPP mode with the University (copy of e-mail of the firm enclosed).

The issue was further discussed in Technical Programme Meeting 2025-26 and DAC meeting of the Department. Now, the case is again submitted to competent authority for inviting expression of interest for Public Private Partnership (PPP) mode of the firms/ mushroom growers/ FPOs/ MPOs etc. with the Mushroom Technology Lab. Department of Plant Pathology, CCSHAU, Hisar.

Therefore, the case may kindly be considered and forwarded to the competent authority for approval please.

Later on in the month of July, 2025 the firm refused to have PPP mode with the University (copy of e-mail of the firm enclosed). Therefore as per discussion in DAC further request was submitted by the Department during 2025-26 to the competent authority for again inviting E.O.I. for the same. Again the three firms/growers were submitted E.O.I. which were screened by committee and highest scoring was approved by the competent authority in favor of Mattershyam FPO Ltd, C/o Sh. Anil Kumar Saini. Later on, in the month of June, 2026 the firm refused to have PPP mode with the University (copy of e-mail of the firm enclosed). The issue was further discussed in Technical Programme Meeting 2025-26 and DAC meeting of the Department. Now, the case is again submitted to competent authority for inviting E.O.I. for Public Private Partnership (PPP) mode of the firms/ mushroom growers/FPOs/MPOS etc. with the Mushroom Technology Lab. Department of Plant Pathology, CCSHAU, Hisar.

3. In view of the above, may submit the recommendations of the Director of Research to the worthy Vice-Chancellor for kind consideration and grant permission for inviting expression of interest (E.O.I.) for the Public Private Partnership (PPP) mode of the firms/mushroom growers/FPOs/MPOs etc. with the Mushroom Technology Lab, please.
