ABOUT THE ORGANIZERS

Bihar Agricultural University Established on August 5, 2010, Bihar Agricultural University, Sabour, is a premier agricultural institution in Bihar, recognized for its academic excellence with NAAC 'A' Grade accreditation and ICAR 'A' Grade accreditation from the Indian Council of Agricultural Research. The University plays a pivotal role in strengthening agricultural education, research, and extension services

in the state. It offers undergraduate and postgraduate programmes, conducts basic, strategic, applied, and adaptive research, promotes effective technology transfer, and builds the capacity of farmers and extension personnel. The University comprises 10 academic, along with twelve research units distributed across three agro-ecological zones of Bihar. It also has a robust extension network of 22 Krishi Vigyan Kendra (KVKs), ensuring effective dissemination of agricultural technologies at the grassroots level. Bihar, endowed with fertile soils, rich water resources, and diverse climatic conditions, offers immense potential for agricultural development. Bihar Agricultural University continues to serve as a center of excellence, fostering innovation, sustainability, and rural development in alignment with national agricultural priorities and global trends.

The National Agriculture Development Co-operative Ltd. (NADCL) was established under Self Reliant Co-operative Act, 1999: under Ministry of Cooperatives with a mission to promote, disseminate and mutual exchange of scientific information of Agricultural Science among the scientific diaspora and stakeholders. The NADCL was primarily established to serve as a bridge for communication between agriculture scientists, extension workers and farmers. Blending of the influences of these three, bring an effective result in the doubling of farmers income. Needless to say, the National Agriculture Development Co-operative Ltd. aims to develop atmosphere conducive to aware farmers about innovative agriculture practices to yield best results for the progress of the farming community. NADCL already organized a number of national training courses, awareness programs, international conferences etc. individually as well as a joint venture with State Agricultural Universities, Veterinary Sciences Universities and different institutes of ICAR.

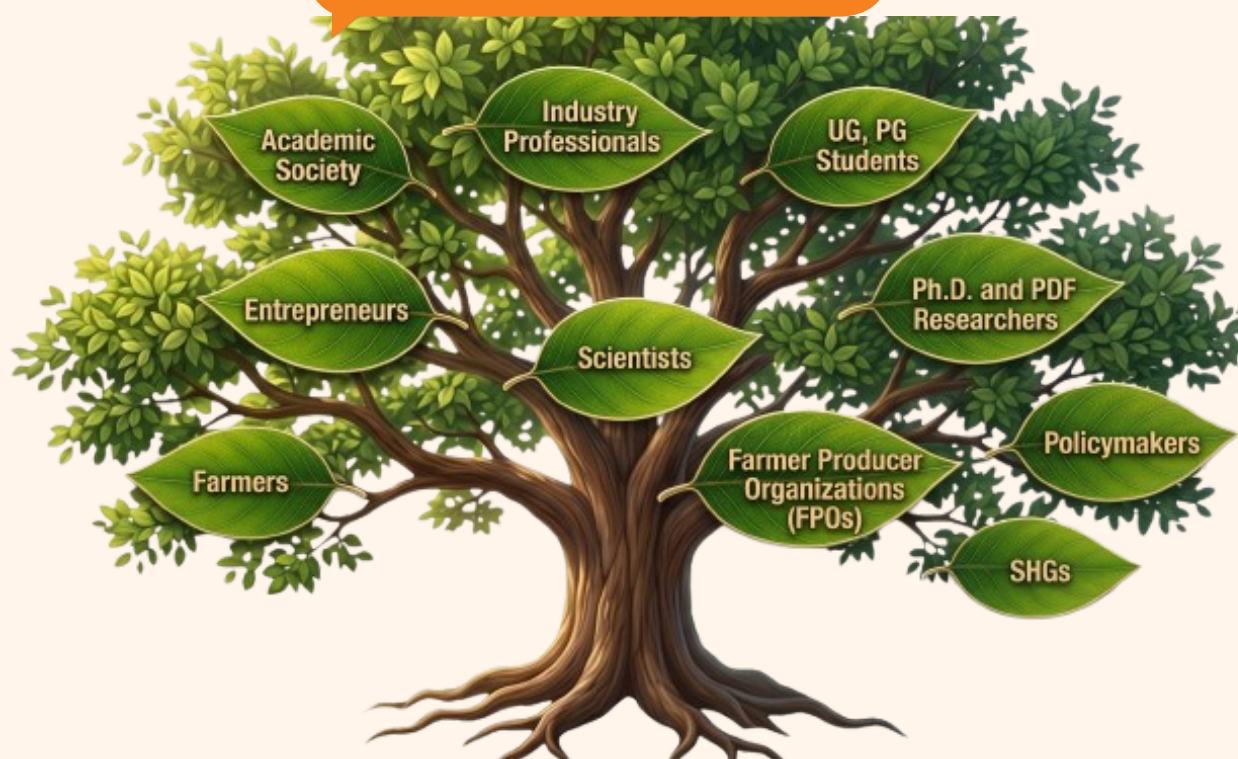

ABOUT THE CONFERENCE

India is blessed with the cultural heritage and legacy of agriculture and other sectors. At present India is preparing for "Viksit Bharat 2047" the government's vision to transform the country into a self-reliant and prosperous economy by 2047. ABOUT THE BHAGALPUR CITY

This historically significant city of Bhagalpur lies on the southern banks of the river Ganges. Bhagalpur, also known as the silk city, it is the 3rd largest city of Bihar. Bhagalpur is well known for being a major educational centre, apart from being the commercial and political centre. The city nurtures the species of National Aquatic Animal of India, the Gangetic Dolphins with the help of the Vikramshila Gangetic Dolphin Sanctuary, making it a fascination to be explored.

Bhagalpur City is located at a distance of about 250 km to the east of Patna, the state capital of Bihar. The most commonly spoken language in Bhagalpur is Angika and Hindi, which are also the official languages of the region.

HOW TO REACH BAU SABOUR

Bihar Agricultural University, Sabour, located in Bhagalpur district (Bihar-813210), is well connected by rail, road, and air. The nearest major railway station is Bhagalpur Junction, situated about 8 km from the campus, from where auto-rickshaws and taxis are easily available, taking around 20–30 minutes to reach the university. A smaller nearby station, Sabour railway station, is even closer if your train halts there. Another convenient railhead is Naugachia railway station, located around 25–30 km away, from where taxis and local transport are available to reach the campus. By road, the university is accessible via National Highway 80 and is well connected to nearby cities through buses, taxis, and private vehicles; from Bhagalpur town, frequent shared autos run directly to “BAU Sabour.” For air travel, the nearest airport is Jay Prakash Narayan International Airport, followed by Bagdogra Airport, Deoghar Airport (140 Km - Distance from Deoghar Airport to Sabour) and the newly developed Purnea Airport, which is comparatively closer and offers an additional convenient option for travelers. From these airports, one can reach Bhagalpur by train or road and then proceed to the university. Overall, BAU Sabour is a well-known landmark in the region and can be easily reached by asking for “BAU Sabour” locally.

WEATHER

December in Bhagalpur sees daytime temperatures around 26°C and lows of 13°C at night. The perfect weather makes it a good time to visit.
