

- To Prepare the students for participation in University/ Inter University/State/ National level competitions.
- To inculcate the habit of discipline and appreciation for cultural activities among the students.

The University regularly organizes youth festivals in which various aspects of personality development, music, dance, theatre, quizzes, debates, declamation, essay writing, painting, sculpture etc. are included as competitive items. The university teams also participated in AGRUNIFEST organized by various universities under the auspices of ICAR. Students hold lots of positions in these Festivals. Three activities (Music, dramatics, HFLC) continued to be one of the credit activity 0+1 approx.150 students of the constituent colleges register for the cultural activities in each semester. Various workshops are organized by the directorate for the students of university to inculcate the habit of discipline and appreciation for cultural activities.
