

**Subject: Creation of training sub head of National Training under NAHEP- IDP Project**

The University has sanctioned a NAHEP- IDP project since 2018-19. Under operational head there is sum of Rs 748.8 lakhs. Out of this, the funds Rs 366 lakhs have been earmarked under sub-head adjunct faculty and visiting professor. Because of pandemic situation and International lockdown it is not possible to invite visiting professor from foreign university for certificate course/ training. In project document there is provision of only International training of the students.

Since, there is no provision of national training in the project; we are finding it difficult to carry the student training activities at national levels. There are immense scope of national training for personality and skill enhancement of the students. We have also identified and contacted national institutes for the training of the students and same has been proposed in roadmap submitted to your good office for 2021-22. Looking into the current situation arises due to COVID-19 pandemic we propose for creation of <sup>another</sup> subhead for national training in operational expenditure out of subhead adjunct faculty and visiting professor.

You are therefore, requested to allocate a sum of Rs. 155.0 lakhs in subhead National trainings under operational expenditure. The breakups of tentative training proposed are as below:

Sr No	Title of event/ training	No of events/training
1	Skill enhancement	50
2	Language and soft skills	15
3	Entrepreneurial skills	35
4	Certificate course	3
5	Remedial course	10
6	Personality development	5
7	Artificial Intelligence based training	10

Submitted for kind consideration and approval, please.
