

FACULTY PROFILE-2024

CCS Haryana Agricultural University, Hisar

FOREWORD

In the dynamic and always changing world of academia, the foundation of an educational institution is the cumulative knowledge, skill, and commitment of its faculty. They support the institution by serving as its pillars, educating and motivating subsequent generations of learners while also making a substantial contribution to the expansion of human knowledge in a variety of sectors.

Chaudhary Charan Singh Haryana Agricultural University plays a pivotal role in the advancement of agricultural education, research, and the regional application of its research outcomes through its robust extension network. CCSHAU is dedicated to overcoming agricultural obstacles and empowering rural populations. Faculty Profile-2024 is a dedication to the committed and forward-thinking faculty members that serve as the foundation of our prestigious agricultural university. The Faculty Profile is an effort to highlight the academic paths and research interests, and the particular fields of specialization of the diverse and distinguished faculty members who make up the intellectual core of our prestigious university.

Our faculty members come from a diverse range of backgrounds, experiences, and fields of expertise, ranging from seasoned professors with decades of experience to young academic luminaries. The details of our faculty given in the Faculty Profile make it a useful resource for the faculty, non-teaching staff and students, prospective students, parents, alumni, and anyone else interested in knowing about the standard of education and research facilities that our university offers. It demonstrates our dedication to nurturing a thriving academic community where intellectual curiosity flourishes and knowledge knows no bounds.

The University continues to add feathers to its already decorated cap and is on a march towards greater accolades in the form of awards and recognitions. ICAR ranking of the University has been in top ten in last five years constantly under overall category and among top five in SAUs. In NIRF ranking,

Prof. B.R. Kamboj

Vice-Chancellor
Chaudhary Charan Singh
Haryana Agricultural University
Hisar

FACULTY PROFILE

CCSHAU ranks among top 100 universities of the country. Atal ranking (ARIIA) of the University was 3rd in 2020, and 4th in 2021 at National level. Continuing the tradition of being in the top league, I.C. College of Community Science, CCSHAU, Hisar has been ranked 49th, 38th, 42nd and 61st across India in the years 2020, 2021 2022 and 2023, respectively in MHRD- NIRF ranking. The Krishi Vigyan Kendra, Mahendergarh has been awarded the best Krishi Vigyan Kendra Award at the “Outlook Summit and Swaraj Puraskar-2022”. 91.2 FM Community Radio Station, KVK Rohtak received the certificate of appreciation from CIET- NCERT New Delhi in 2022 for its continuous commendable work. The faculty of the University does not rest on its laurels, which is amply shown in the awards and rankings won by the University. The University has also received “Haryana Kisan Ratna Award” conferred by Haryana Government for the year 2019. Mahindra & Mahindra Ltd. awarded the university with “Krishi Shiksha Samman” on the occasion of Mahindra Samridhi India Agri Awards 2019. KVK Yamunanagar was awarded with Best NICRA KVK Award-2019 for the ATARI Zone II; Best AICRP Centre Award on Spices (2021); Chaudhary Devi Lal Outstanding AICRP Award on Farm Implements and Machinery (2019); Best AICRP Centre Award of MULLaRP (2019); Best AICRP Centre Award of Weed Control (2019); and Best AICRP Centre Award of Sugarcane (2019). Continuing its journey of excellence, the University has won Best AICRP Centre Award Sorghum (2021-22 and 2022-23); Best performing ICAR-AICRP on Pearl millet Centre Award (2021-22 and 2022-23), and Best Performing Main Centre Award for excellent contribution in research and development of Rapeseed & Mustard (2022-23).

I am delighted to see the publication of Faculty Profile-2024, which offers a systematic overview of the outstanding faculty at our prestigious agricultural university. I feel privileged to introduce this compilation as the Vice-Chancellor of this university because it highlights the extraordinary skills, commitment, and knowledge of our faculty members. I would like to express my sincere appreciation to all the team members of DHRM who have contributed to this publication, as well as to the staff who were instrumental in its creation. I hope you will find this book to be both informative and inspirational.

Vice-Chancellor

PREFACE

The Haryana Agricultural University came into existence on 2nd February 1970 through the 16th Act of Parliament, i.e., the Haryana and Punjab Agricultural Universities Act of 1970, to fulfill the mandates of teaching, research and extension of a comprehensive land grant institution. Prior to its becoming a full-fledged university the campus at Hisar was a part of the Punjab Agricultural University. The University received its present nomenclature, Chaudhary Charan Singh Haryana Agricultural University (CCSHAU), as a result of amendment to the Haryana and Punjab Agricultural Universities Act (Haryana Amendment) in 1991 which received the assent of the President of India on 8th October 1991. In the year 2010 a new Veterinary university, namely, Lala Lajpat Rai University of Veterinary and Animal Sciences was formed and the Colleges of Veterinary and Animal Sciences were transferred to this university.

CCSHAU has eight constituent colleges and one institute, namely the College of Agriculture, Hisar, College of Agriculture Kaul (Kaithal), College of Agriculture Bawal (Rewari); College of Agricultural Engineering and Technology, College of Basic Sciences and Humanities, I.C. College of Community Science, College of Fisheries Science, College of Biotechnology and Institute of Business Management and Agri-preneurship at Gurugram. To cater to the regional research needs the University has established 7 Regional Research Stations. Nineteen Krishi Vigyan Kendras are spread across the State for effective transfer of technology.

CCS HAU has established itself as a premier institute for advanced scientific and technological research, extension and education in India and abroad in the field of agriculture and allied sciences. It has an excellent infrastructure to achieve its research, extension, education and social objectives. Its faculty is the recipient of many prestigious national and international awards and honours and a large number of faculty members are renowned experts in their respective fields of specialization. A need was felt to catalogue their information under one umbrella to bring it to the public domain; hence, the Faculty Profile. The Faculty profile will prove to be a very important resource for this University and its faculty and staff, other State Agricultural Universities (SAUs), Indian Council of Agricultural Research (ICAR) Institutes, Government Organizations, Policy Makers, Students and others who seek experts on a diverse range of topics. The first edition of The Faculty Profile was published in November, 2008 based on the data collected from the Faculty of CCS HAU under ICAR, New Delhi research project entitled “National Information System on Agricultural Education Network in India”

(NISAGENET). The efforts made by the then PI of the project are fully acknowledged. Later on, updated version of the same was published in 2017, 2018 and 2021. Important information like name, present designation, field of specialization/area of interest, date of joining in CCS HAU/on the present post, place of posting and date of birth of the faculty member has been complied in the present publication. The mobile numbers and E-mail IDs as furnished by the faculty have also been included.

We feel indebted to the Deans, Directors and Head of the Departments of CCS HAU for their ever available help and cooperation. We would like to express our sincere gratitude to all the faculty members who kindly shared their accomplishments, and qualification details for this publication. Their commitment to learning advances our university and motivates us all. Our sincere thanks are also due to all the colleagues in the Directorate of Human Resource Management who were always forthcoming with help during the course of present venture. We bring to you the present Faculty Profile with the hope that this serves as a source of pride, inspiration, and connection among the University fraternity as we continue to work together to create a better future through the pursuit of excellence in teaching, research, and extension.

Director, HRM

Joint Director, HRM

Assistant Director, HRM

ABOUT THE UNIVERSITY

Chaudhary Charan Singh Haryana Agricultural University (CCSHAU), Hisar, came into existence on February 2 in the year 1970 as Haryana Agricultural University (HAU) through the 16th Act of Parliament, i.e., the Haryana and Punjab Agricultural Universities Act of 1970, to fulfill the mandates of teaching, research and extension of a comprehensive land grant institution. HAU had been a part of PAU before its independent existence. In 1966, when Haryana was formed, the satellite campus of PAU was declared as an autonomous institution and became a full fledged university on 2nd February, 1970 with Mr. A. L. Fletcher as its first Vice-Chancellor. Since then the University has dedicated itself to the cause of upliftment of agriculture and farming community through its path breaking research and extension activities. The University received its present name in the year 1991 as a consequence of the amendment to the Haryana and Punjab Agricultural Universities Act.

Apart from six colleges at the main campus at Hisar, the University has two more Colleges of Agriculture at outstations, one located at Kaul (Kaithal) and another at Bawal (Rewari). These cater to the agricultural education requirements of the people in the Northern and Southern parts of the State of Haryana. An Institute of Business Management and Agri-preneurship has been established at Gurugram with the aim to impart education and training to youth for developing managerial skill and entrepreneurship in various areas of agribusiness to cater the needs of agriculture. The University has 19 Krishi Vigyan Kendras. The University also has an Extension Education Institute at Nilokheri. There are six Research Stations and two sub-stations. Agricultural Technology Information Centre (ATIC) popularly known as Kisan Sewa Kendra provides a 'single window' delivery system for the products, like seed of cereals, vegetables and horticultural crops, nursery plants of vegetables, fruits and ornamental plants, bio-fertilizers, processed products of fruits and milk urea detection kit, etc.

The University offers 5 UG, 37 Masters and 37 Ph.D. degree programmes. Besides Govt. of India has also approved nineteen certificate courses related to skill development and a few vocational trainings are also offered by different faculties. The University also offers PG Diploma programmes in various emergent areas. So far the University has awarded more than 20000 UG, PG and Ph. D degrees. The University has seventeen hostels (13 at Hisar Campus and 2 each at Kaul and Bawal) including one PG (Married) Hostel.

There are specific hostels for international students (separate for boys and girls) well equipped with all modern amenities such as Wi-Fi, CCTV, LCD TV with dish antennae, solar water-heating system and water coolers with purifier system etc. The University has outstanding sports and games facilities. It has two indoor badminton courts, two indoor facilities for squash courts, hobby rooms, two multipurpose indoor gymnasiums besides, an indoor shooting range, various grounds for outdoor games, a synthetic track of international standard and Shaheed Madan Lal Dhingra Multipurpose Hall for various sporting activities. The centrally located Nehru Library has a large print collection of books, periodicals, theses and also has huge e-resources.

In the field of IPRs twenty patents, twelve copyrights & ten designs have been granted to the University. The University also has its own Trademark. Besides these, sixty patents, eight designs and six copyrights have been filed by the University faculty and scholars. A total of 580 MoUs have been signed with different industries located in various parts of the country for the production and marketing of sixty-one University technologies.

CCSHAU has established academic collaborations with many countries and at present around 32 international students are pursuing their PG studies with us. Till date students from 31 countries have completed their degree (UG/PG) programmes at CCSHAU, Hisar. The Directorate of Research is the Nodal Agency for planning, implementation and monitoring research activities in different disciplines of constituent colleges and seven Regional Research Stations of the University. University scientists' research efforts consistently win awards and praise. The University's Department of Genetics and Plant Breeding's Wheat Section has developed the wheat variety WH 1270, which has been approved for early sowing cultivation in irrigated areas of India's North Western Plains. CCSHAU, Hisar Bajra Centre has been instrumental in the development of two pearl millet bio-fortified (high iron 73-83 ppm) hybrids HHB 299 and HHB 311. Three novel kinds of sorghum-CSVF, HJH-1513, and HJ-1514 with high protein content have been identified. Two varieties of mustard, namely RH1424 and RH1706, developed by scientists of the University's Oilseeds Section have been identified. HLS-4, a new variety of Asalio (Chandrashur) developed by the university's medicinal, aromatic, and potential crops section, has been released for cultivation across the nation. Two new varieties of oats viz. HFO 707 and HFO 806 developed by scientists of Forage Section of the University on the recommendation of Central Seed Committee have been notified for release in the Gazette of India.

The University has a farm area (840 acres) for research and seed production under the Directorate of Farms which is the nodal agency for selling of seeds/planting material to the farmers. The Directorate has a seed processing plant, workshop, and seed testing

facilities. The Agri Business Incubation Centre (ABIC) of the University trains startups and provides them with resources for starting their venture.

The University has consistently been ranked among the best in the country and the excellence of the University got recognition twice in the shape of the Indian Council of Agricultural Research (ICAR) Best Institution Award in 1996, and again for the year 2016 i.e. Sardar Patel Outstanding I C A R Institution Award. The ICAR awarded our university a "A" grade in 2018 for its excellence in teaching, research, and extension. Besides the numerous awards won by the University, several awards won by the faculty are ICAR Best Teacher Award, ICAR Team Award, Rafi Ahmed Kidwai Memorial Prize and Hari Om Ashram Trust Award for outstanding research contributions from time to time. In addition, most of the senior faculty members from various departments are having the international exposure either through Rockefeller Foundation Fellowship, USA, FAO, UNDP, USDA, AHRD programme and availed Alexander Von Humboldt Research Fellowship, DAAD Fellowship, Common wealth Academic Staff Scholarship, UNDP Fellowship, ITTO Fellowship and INSA-DFG Bilateral Exchange Programme. The list is endless and it continues.

Under the Student/Faculty Exchange programme many students/faculty members are visiting abroad for exposure and pursuing their UG and PG degree programmes in Japan, Australia and New Zealand. The number of new initiatives and technologies we've launched is endless. We have established a modern Indigenous Seed Bank for medium-term storage of germplasm and other valuable material of field crops, vegetables, and horticulture crops. CCSHAU has become the country's first agricultural university to perform research and create an e-tractor.

The University's Farm Machinery Testing Center is one of the accredited testing facilities of the Ministry of Agriculture and Farmers' Welfare, Government of India, and has received ISO certification. The 139-acre Deendayal Upadhyay Centre of Excellence for Organic Farming is in charge of managing the research on organic farming. An Agritourism Centre is being developed in the University in a total of 38 acres. The centre has Quality planting Material Unit having hi- tech Green House nursery, Insect proof net, Shade net house and one Green house for demonstration of protected cultivation of fruit flowers and Vegetables. The demonstration of container garden, vertical garden, soilless garden, wall garden air purification platform is a distinguishing feature. CCSHAU has set up a Compost Spawn and Mushroom Production Centre under public-private partnership (PPP) mode for increasing production of mushroom in the State as well as to train youth in mushroom production. CCSHAU continuously strives to expand its horizons and keeps on adding to its facilities and infrastructure in tune with the needs of the times.

COLLEGE OF AGRICULTURE

College of Agriculture

(Established in 1962)

The College of Agriculture at Hisar came into existence on July 17, 1962 as Government Agriculture College. The College was initially affiliated to Punjab University, Chandigarh. The College became the integral part of Punjab Agricultural University, Ludhiana with its creation on December 20, 1962. Dr. H. S. Dhindsa was the first Principal of the College of Agriculture (COA). He later became the Dean and was succeeded by Dr. L. S. Negi, Dr. J. S. Kanwar and Dr. D. Sundaresan who administered it in addition to his duties till the regular Dean Dr. D. R. Bhumbla was appointed in July 1966 and he continued till February 1969. It became the integral part of Haryana Agricultural University, Hisar with its creation on February 2, 1970. The college has all facilities for students including smart classrooms, fully equipped laboratories, library, computer section, cafeteria, examination hall, seminar hall etc. The College of Agriculture, a citadel of agricultural education, research and extension, is one of the most important and largest constituent colleges of CCS Haryana Agricultural University.

CCSHAU has three Colleges of Agriculture located at Hisar, Kaul and Bawal in which the COA Kaul and Bawal comes under the administration of COA, Hisar. College of Agriculture, Kaul situated on the outskirts of village Kaul, district Kaithal, Haryana (29.8498° N latitude, 76.6615° E longitude) is an important constituent college of Chaudhary Charan Singh Haryana Agricultural University (CCSHAU), Hisar. College of Agriculture, Kaul has its beginning as a constituent college of Kurukshetra University, Kurukshetra in the erstwhile state of joint Punjab. After creation of the state of Haryana in 1966, Haryana Agricultural University came into being at Hisar in the year 1970. The College of Agriculture, Kaul was integrated into the Haryana Agricultural University in 1974 with the motto to impart quality and scientific education to students in the field of agriculture.

The College of Agriculture, Bawal was established in 2015 as one of the constituent colleges of Chaudhary Charan Singh Haryana Agricultural University, Hisar on 21.08.2015. The foundation stone of the college building was laid down on February 25, 2017 by Shri Manohar Lal, Hon'ble Chief Minister of Haryana. Bawal is a municipality in Rewari district of Haryana state and lies in the National Capital Region (NCR) of India. It is located on national highway NH 48, about 14 km from Rewari city, 100 km from Delhi and 200 km from the main campus of the University at Hisar. Bawal is located at 28.09°N 76.59°E at an elevation of 266 m above mean sea level. The college has all facilities for students including smart classrooms, fully equipped laboratories, library, computer section, cafeteria, examination hall, seminar hall etc. The College of Agriculture, a citadel of agricultural education, research and extension, is one of the

most important and largest constituent colleges of CCS Haryana Agricultural University.

The College of Agriculture has magnificent building with 15 lecture rooms (one for each department), 14 seminar rooms, 11 Smart Class rooms, a Computer Centre, an Auditorium and Examination Hall with capacity of 500 persons each. Lecture rooms of all the departments are well equipped with LED facilities. College has an excellent Committee room with Video conferencing facilities for faculty and students. The college has 69 well maintained laboratories equipped with most sophisticated instruments to support each teaching and research needs of students and faculty. College has one NCC and three NSS Units. University has a farm of about 1000 hectares at Hisar, 67 hectares at College of Agriculture, Kaul and 98 hectares at College of Agriculture, Bawal for conducting research both for faculty and PG students as well as practical training for UG students.

Key Features

Number of students passed:

Under Graduate : 11285 (1970-71to 2022-23)

M.Sc. : 3917 (1970-71to 2022-23)

Ph.D. : 1509 (1970-71to 2022-23)

Awards and Recognitions in Research, Teaching and Extension Education

National Awards: Dr. Rajendra Prasad Award(1); Jawahar Lal Nehru Award(5); Team Awards including Rafi Ahmed Kidwai Memorial Prize(9); Best Centre Award(5); Indian Science Congress Award(1); Dr. B.P. Pal National Environment Fellowship Award on Biodiversity(2); ICAR Sponsored Best Teacher Award(15); PPIC Best Teacher Award(4); Hexamer Award(3); Deen Bandhu Sir Chhotu Ram Trust Award(2); Rao Bahadur Dr. Ram Dhan Singh Award(3); Fertilizer Association of India (FAI) Golden Jubilee Award(1); NAAS Fellow and H.M. Shah Memorial Award(1); IPI-FAI Award (2)

International Fellowships: Visiting Fellow, ICTP, Italy (2); Visiting Scholar, IAC, Brazil (1); Fellowship for Ph.D.(6); Post-doctoral Fellowship(14); UNDP Fellowship(5); Common wealth Academic Staff Scholarship(6); Alexander Von Humboldt Research Fellowship(7); DAAD Fellowship(9); ITTO Fellowship(2); Bilateral Exchange Fellowship(2); JSPS Fellowship(1); Endeavour Research Fellowship(1); Overseas Associate in USA(2) and The Netherlands Fellowship(1).

College of Agricultural Engineering and Technology

College of Agricultural Engineering and Technology

(Establishment in 1992)

The College of Agricultural Engineering and Technology (COAE&T) is a Constituent college at the main campus of the Chaudhary Charan Singh Haryana Agricultural University (CCS HAU) in Hisar. Initially, the Academic Council CCS HAU meeting on June 11, 1987, vide agenda item BB-12 approved the B. Tech. (Agricultural Engineering) undergraduate curriculum with an intake of 20 students under the College of Agriculture. Later on, the COAE&T was founded on August 21, 1992, following the 142nd Board of Management meeting, as approved vide agenda item B-26 on March 24, 1992. Master of Technology (Agril. Engg.) was started in the department of Farm Power & Machinery and Soil & Water Engineering in 1993. Thereafter, Department of Agricultural Processing & Energy was established in August 1996 with PG degrees. The section of Basic Engineering was founded in October 1996 to serve UG & PG students. In 2013-14, B. Tech. admittance slots were fixed to 35 to focus on individual student instruction and personal attention. The Ph.D. program started in all three departments in 2016. In March of 2017, the Department of Basic Engineering and the Department of Renewable and Bio-Energy Engineering were established. According to Fifth Deans' Committee recommendations, the syllabi and curricula were updated to address future challenges and recent developments, with more emphasis on Student Ready Programme to expose students to different agricultural issues. Agricultural engineers help to increase crop production and farmer income. Agricultural engineers help to ensure farm operation timeliness through efficient agricultural implements and machinery, land and water management, post-harvest technology and processing, and energy conservation.

Key Features

- Agro Processing Centre having demonstration of small scale processing facilities for its adoption at village level.
- Well equipped infrastructural facilities for testing of farm machinery.
- Automated micro irrigation facilities on irrigation and fertilization scheduling of vegetable crops.
- Instrumentation cell for the repair of refrigeration and air conditioning equipments and other scientific instruments.

College of Basic Sciences & Humanities

College of Basic Sciences & Humanities

(Established in 1970)

Established in 1964, as a part of the erstwhile PAU Ludhiana, the College of Basic Sciences and Humanities became one of the independent constituent Colleges of Haryana Agricultural University, Hisar in 1970. Dr. S.R.Vyas was the founder Dean of this College. Initially started with the trimester system of education, it was replaced by semester system in 1987-88. The College runs M.Sc. and Ph.D. programmes in different disciplines i.e., Biochemistry, Bioinformatics, Botany, Chemistry, Environmental Sciences, Food Science and Technology, Mathematics, Microbiology, Molecular Biology and Biotechnology, Physics, Plant Physiology, Sociology, Statistics and Zoology. The Food Science and Technology discipline was started in 1996. In 2002, Centre of Food Science and Technology was established as a multidisciplinary centre of excellence in Food Science & Technology after taking some components from allied departments of University viz., Foods and Nutrition, Horticulture, Microbiology, Animal Products Technology and Agricultural Processing & Energy. Department of Biotechnology was created in 1997 with faculty merger from Genetics, Microbiology, Biochemistry and Plant Breeding departments promoting interdisciplinary research. Departments of Mathematics, Statistics and Physics, Botany and Plant Physiology have started M.Sc. courses in Physics and Environmental Science from 2017-18, respectively. A separate Physics department was created in 2018. Department of Physics has started Ph.D. programme from 2019. Department of Mathematics & Statistics has started Ph.D. programme in Mathematics from 2019 and Department of Botany and Plant Physiology has started Ph.D. programme in Environmental Science from 2020.

The College imparts quality education to postgraduate students of Basic Sciences and Humanities. It also undertakes teaching of undergraduate and post graduate students from all constituent colleges of the University. The College is a symbol of performance, potential and progress. Its iconic status of 52 years makes it an unrivalled institute of research, teaching and extension.

The College has a unique distinction and privilege to have faculty honoured with –

- Padam Shri (Dr. J. B. Chowdhury)
- Vice Chancellors of CCS Haryana Agricultural University, G.B. Pant University of Agriculture and Technology, Pant Nagar (Uttarakhand), OPJS University, Rajasthan

- Rafi Ahmed Kidwai, Hari Om Ashram Trust, ICAR team awards.
- Fellows of NAAS, IAS, NASI etc.
- The faculty has secured several prestigious International Fellowships (Rockefeller Foundation's PDF and BCF, DAAD, DUO, Indo-Japan Exchange, INSA-DFG, AHRD Fellowships (ICAR), DBT Overseas Associate fellowship), for post-doctoral, research and teaching.
- Faculty members (Dr. Urmil Verma, Dr. Rajvir Singh, Dr. S.C. Goyal, Dr. U.K. Varshney, Dr. Pushpa Kharb, Dr. S.S. Sindhu) have received ICAR sponsored “Best Teacher Award” of the University in the past.
- The faculty has been awarded several competitive research grants over the years from international agencies such as UNDP, PL480, Rockefeller Foundation, USA and National agencies like DBT, DST-GOI, SERB, ICAR, CSIR, DRDO, UGC, SPARC, RKVY and Private agencies.
- Several students were awarded Jawahar Lal Nehru best thesis award by ICAR. Several students were also bestowed with V.D. Kashyap Gold Medal and Silver Jubilee Gold Medal for best thesis.
- Several teachers are on Editorial Boards of high ranking journals, Member Board of Studies in other Institutions.
- Our students are pursuing higher degrees in reputed National and International Institutes and have been selected as faculty in reputed Institutions such as DRDO, ICGEB, SAUs, Universities, Government Colleges, Public/ Private Institutions/Industries.

VISION

- To impart basic education integrating teaching, research and extension in areas relevant to agriculture with academic excellence

MISSION AND GOAL

- To produce quality human resource
- To conduct basic research in state/nation's priority areas related to agriculture
- To develop technologies to combat various constraints in agricultural production in the country

- To reduce the gap between existing and novel technical innovations, development of products and their speedy commercialization

OBJECTIVES

- To impart knowledge in various disciplines of basic sciences to the students from constituent colleges of the university
- To strengthen and achieve excellence in teaching, research and to develop quality human resource in various disciplines of basic sciences
- To develop skills and values among students to make them competent not only for government services and industries but also as entrepreneurs
- To develop technologies that can contribute towards the upliftment of the Indian rural economy, employment generation and increased avenues of self employment
- To develop new technologies for sustainable agricultural production and to refine existing technologies. These are communicated to the stakeholders through class room teaching, seminars, exhibitions, expert lectures and through lab and field demonstrations
- To develop linkage with national and international universities, industries and to promote public-private partnership

Key Features

Number of students passed:

M.Sc.	:	1385 (1970-71 to 2022-23)
Ph.D.	:	581 (1970-71 to 2022-23)

OTHERS:

- The College has 29 net houses; two transgenic green houses; abio-fertilizer production unit; a biogas plant; and a Computer Centre that has facilitated in imparting computer literacy to the students, and establishing Wi-Fi network and AEBS biometric systems in the University.

- Well-equipped laboratories, modern classrooms with LED facilities and an auditorium with a seating capacity of about 300 persons.
- Well established equipments like Real Time Quantitative PCR, ELISA reader, GLC, Fermenter, Chlorophyll Fluorescence meter, Rapid Visco Analyzer, Twin screw extruder, Rheometer, Texture analyzer, Lypholizer, etc..
- Completed 134 adhoc projects with external funding with publications in high impact journals.
- Students' placements in reputed Institutions and industries such as ASRB, DRDO, CSIR, ICAR, SAUs, govt. colleges, public/private institutions/industries; and also in academic institutes abroad..
- Filed 32 patent applications; seven of them have already been granted.
- Students secured international fellowships including Monsanto Beachell-Borlaug, BBSRC-DFID, Canadian Commonwealth and National fellowships e.g. INSPIRE, CSIR and UGC etc.

I. C. College of Community Science

I. C. COLLEGE OF COMMUNITY SCIENCE

I. C. College of Community Science

(Established in 1973)

The Indira Chakravarty College of Community Science (I.C. COCS) is located at main campus of the Chaudhary Charan Singh Haryana Agricultural University (CCSHAU), Hisar on National Highway No.10 at a distance of 170 Km. from Delhi, 2 Km. from the Railway Station and 3 Km. from the Bus Stand, Hisar. The I.C. College of Community Science is one of the six constituent colleges at main campus of CCSHAU, Hisar. The College was conceptualized by great visionary, Sh. A.L. Fletcher, ICS, the first Vice-Chancellor of the University and established in 1973 as I.C. College of Home Science. It has been renamed as I.C. College of Community Science in 2023 as per recommendations of 5th Deans' Committee. The College has successfully completed five decades of its existence with a glorious past, formidable present and a promising future. I.C. College of Community Science caters to the needs of women for higher education by providing relevant multi-disciplinary knowledge for developing scientific and technical skills in line with demands of job market and effective resource management for improved quality of life. The College has been playing an instrumental role in holistic development of community through its teaching, research and extension activities. The College continues to update its course curriculum from time to time as per guidelines of ICAR and mandate of the University. Besides teaching, the students are actively engaged in research and extension endeavors. The College has gained a reputation for excellence and a proven record of students' success in the period of fifty years of its existence. The I.C. College of Community Science, CCSHAU, Hisar has consistently been in top fifty colleges of the country for the last three years as per MHRD ranking. It has received 49th, 38th and 42nd NIRF ranking across India in 2020, 2021 and 2022, respectively.

The College has very good and advanced well furnished infrastructure. A Committee Room with seating capacity of 50 having interactive board and conferencing facility, an Auditorium having seating capacity of 284 persons, LCD/LED projector, and state-of-the-art sound system, fully air conditioned Examination Hall with seating capacity of 200 students, College Computer Lab having 29 Computers with work stations, five Lecture Halls with LCD/LED projectors and four Smart Class Rooms having seating capacity of 70-

75 students each and one Conference Room, College Library are some of the distinguishing features of the College building.

Key Features

Number of students passed:

Under Graduate	:	2581 (1970-71to2022-23)
M.Sc.	:	831 (1970-71to222-23)
Ph.D.	:	237 (1970-71to2022-23)

Others Achievements:

- IC College of Community Science has been ranked first top most college in Haryana in NIRF Rankings 2020, 2021, 2022 and 2023 by MHRD.
- Ch. Devi Lal Outstanding All India Co-ordinated Research Project (AICRP) Award.
- Centre of Excellence on “Processing and Value Addition of Pearl Millet for Nutritional Security” in the Department of Foods & Nutrition.
- Three experiential learning projects on Bakery and Confectionary (FN), Information Material Production (EECM) and Digital Embroidered Home Furnishings (ATS).
- Developed protective clothing for farm workers and textile industrial workers, standardized paper patterns of different garments and dyeing & printing techniques.
- Development and testing of time and energy saving technologies for rural women.
- Need based trainings on income generating activities for rural women.
- Design of 3 technologies are registered by the patent office, Govt. of India.

College of Fisheries Science

The College of Fisheries Science was established at Chaudhary Charan Singh Haryana Agricultural University in 2019 with seven departments; Aquaculture, Aquatic Environment Management, Aquatic Animal Health Management, Fish Engineering, Fisheries Extension, Economics and Statistics, Fish Processing Technology and Fisheries Resource Management. It was established with a vision to produce trained graduates and post graduates equipped with modern techniques and management practices in Fisheries who can help the fishers/entrepreneurs and other stake holders to exploit the natural resources responsibly by providing quality education, research and training in fish technologies so that they can face and tackle challenges of fast developing fisheries sector and other areas at national and international level. Through research and innovation, culture practices of several fish species, shrimps, fresh water mussel, feed formulations for improved feed efficiency, fish culture in sewage treated water have been developed with minimized environmental impacts. The college is exploring technologies such as recirculating aquaculture systems, biofloc system and integrated carp-ornamental culture aquaculture to enhance the resilience and productivity of farmed species. The college is investing in research and development to further improve the efficiency, environmental performance, and welfare standards of aquaculture systems. M.F.Sc. and Ph.D degree programs were started in Department of Aquaculture and Fisheries Resource Management in 2019-20. Since 2020-21, Bachelor of Fisheries Science in the college and M.F.Sc., Ph.D degree programs in two more departments Aquatic Animal Health Management and Fish Processing Technology was started.

Several of our students have joined as Assistant Director Fisheries, guest faculty, Young Professional, Consultants in Fisheries department of different states. One of our student is a successful Entrepreneur in fisheries

Directorate of Students' Welfare

Directorate of Students' Welfare

(Physical Education/Music)

The Directorate of Students' Welfare is responsible for the housing and well being of the students, personality development through cultural, sports and other activities, and guides them in choosing their career through counseling and placement.

Key Features

Hostel Facilities

- The accommodation is provided in 18 hostels out of which 13 hostels (5 for Boys, 7 for Girls and one for PG married students) are situated at the main campus Hisar, 2 hostels; one each for boys/girls at Kaul and 3 hostels; 2 for boys and 1 for girls at Bawal. This also includes Women Scholar Hostel converted temporarily from Married Flats.
- The Hostels are equipped with all the latest facilities such as WiFi, LCD TV with dish antennae, solar water-heating system, gas connection, furniture, EPABX phone facility, water coolers with purifier system. Messes of hostels run on cooperative basis.

Giri Centre for Students' Welfare and Activities

- The Giri Centre for students' welfare and activities is an outstanding feature of this University with sports and other activities. It has two indoor Badminton Courts with a seating capacity for 600 spectators, two indoor squash courts, hobby rooms, two multi-purpose indoor gymnasiums with a reasonable seating capacity. Grounds/courts /tracks/ links are available in the University Sports Complex.
- A synthetic track of international standard has also been provided in the Athletic Stadium. Volley ball grounds have lighting arrangements for playing at night. Hockey, Football, Cricket and Basket ball grounds are well maintained.

Co-curricular Activities

- For promotion of all co-curricular activities such as Sports, NCC, NSS, Mountaineering and adventure, Graphic Arts, Literary and debating, Music, Dance, Dramatics, NIS etc., regular classes and various trainings/workshops are arranged from time to time. A full fledged chapter of SPICMACAY is also functioning in the University.

Students' Counseling and Placement Cell

- This Directorate in association with the Department of Employment, Haryana, has setup a University Employment Information and Guidance Bureau, which provides information to the students about job opportunities, competitive examinations, scholarships/ fellowship etc. Besides, the Cell also brings out a fortnightly newsletter 'Career Bulletin' for students of the University to keep the mabreast of information on placement, admissions, scholarships, fellowships etc. in India & abroad.
- A Students' Centre for Career Excellence has also been established which provides coaching for various competitive examinations.

Nehru Library

Nehru Library

(Established in 1975)

University has magnificent Nehru Library building-a blend of functional structure, elegance and exquisiteness-is centrally located with an easy access from all the constituent colleges of the university, hostels and residential areas. Library building has 97,700sq.ft. of total floor area with a stacking capacity of 3 lakhs volumes. It has a seating capacity of 650 readers with night reading hall of 120 student capacity. It also has 21 reading rooms. Library has large print collection of about 2.45 lakhs books, 1.04 lakh periodicals, 13 thousand thesis and around 6 thousand e-resources. It provides information support to its faculty and other non-teaching staff. In addition, it also has wide no. of Indian and Foreign print and online journals of current subscription. This magnificent Library has maintained its collections at College of Home Science, Hisar, College of Agriculture, Kaul, Campus School, Krishi Vigyan Kendras (KVKs), and Regional Research Stations. Nehru Library is successfully leaping towards executing the onerous job of exploiting the power of information technologies to its advantage applying them to various library activities for retrieval and dissemination of information.

Key Features

- Providing digitized services through Agricat, Britannica Online Academic Edition, CeRA: Gateway to e-Journals, e-Books, e-Conference Alerts, e-Databases/CDROM databases, e-Learning Portal on Agricultural Education (e-Krishi Shiksha), India stat.
- Library also provides access to e-Journals, Online Catalogue and Krishi kosh.
- Participating in resource sharing activities at national level such as simple mentoring Krishiprabha and e-Granth.
- Due to implementation of e-Granth Project, Nehru Library, CCSHAU, Hisar has become member of OCLC which is the largest library network in the world.
- One of the 41 libraries in India which are uploading their catalogue holding on the World Cat.

- Providing latest ICT based application tools i.e. video-conferencing, multimedia, smart classroom, etc. Appreciation certificate by ICAR to the CCSHAU for effective implementation of Krishi prabha Project and updation of Krishi Kosh.
- Radio Frequency Identification (RFID) Technology has been fully implemented in Library. Entire collection of library has been made bar-code as well as RFID tagged for automated circulation activities.
- Library is issuing QR coded Smart ID card to all University employees and students which are integrated with RFID application.
- Modern health friendly canteen in the Library premises, where library users can have light refreshing eatables. Book Bank Facility: Under this facility students are entitled to borrow text books at nominal charges for whole semester. Books hop facility is a unique service of the library as no other library supports such type of activity.
