

**LIST OF COMPENDIUM PUBLISHED IN THE TRAININGS CONDUCTED
UNDER CENTRE OF ADVANCED FACULTY TRAINING (ENTOMOLOGY)**

Year	Compendium published
1995-96	1) Advanced Training Course on Apiculture
1996-97	2) Advanced Training Course on Host Plant Resistance 3) Advanced Training Course on Integrated Pest Management
1997-98	4) Advanced Training Course on Insect Ecology
1998-99	5) Nil- The post of Head was vacant
1999-00	6) Advanced Training Course on Insecticide Toxicology 7) Advanced Training Course on Pesticide Residue Analysis
2000-01	8) Recent Advances in IPM 9) Advances in Apiculture
2001-02	10) Advances in storage & seed technology 11) Advanced Training Course on mites, their identification & management
2002-03	12) Advanced Training Course on non-insect pests, their identification & management 13) Emerging Trends in biological control of insect pests & weeds
2003-04	14) Recent advances in Host Plant Resistance to Insects 15) Advances in Management of Beneficial Insects
2004-05	16) Advances in IPM of Horticultural Spices & Plantation Crops 17) Application of techniques in Entomological Research
2005-06	18) Advances in bio-rational approaches to pest management 19) Advances in Economic Entomology
2006-07	20) Recent trends in biology & management of poly-phagous pests of agril. importance. 21) Application of ecological methods for management of crop pests
2007-08	22) Use of biotechnological approaches in Entomology
2008-09	23) Recent Approaches in Storage and Household Entomology 24) 2) Recent Advances in Pest Population Dynamics and Monitoring Techniques
2009-10	25) Recent Advances in Bio-intensive Integrated Pest Management
2010-11	26) Molecular basis of host plant resistance to insects
2011-12	27) "Advances in diagnosis of arthropod pests' damage and assessment of losses" 28) Advances in Bio-ecology & management of insect pollinators of crops
2013-14	29) Advances in pest management in legume crops
2014-15	30) Novel Approaches in Pest and Pesticide Management in Agro-Ecosystem" from August 19 th to September 8, 2014
2015-16	31) Ecologically Based Pest Management for Quality Food Production
2016-17	32) Effect of climate change on the incidence of insect pests from 4 th Nov. to 24 th Nov., 2016
2017-18	33) "Innovative Strategies of Plant Protection for Insect-Pests Management in Changing Agricultural Scenario" from 8 th Nov. to 28 th Nov., 2017.
2018-19	34) Recent trends in pests status, pesticide usage and pest management Strategies in Agriculture" from 5 th to 25 th October, 2018
2019-20	35) Advances in Biology, Conservation, Rearing and Management of <i>Apis</i> & non- <i>Apis</i> bees" from 4 th to 24 th October, 2019.
